## MEN'S SHIRT FITS

### ORIGINAL SLIM

*The original Bridge & Burn shirt fit*

- Slim fit through the chest
- Tapered at the waist
- Slim through the armhole and bicep

### STANDARD STRAIGHT

- A little more room through the chest
- Hangs straight from chest to hem
- More room through the armhole and bicep

We currently offer two button up fits for men. The Original Slim is the fit we first introduced in 2010. The Standard Straight was introduced in Fall 2017. It has more room through the chest and the body runs straight for a less fitted look.
